

### Finding Your Purpose in Jesus: Salt and Light

This Sunday we'll continue our theme of "Finding Your Purpose in Christ" with the truth that We Are Made to Demonstrate God's Character. We'll study Jesus' powerful words in Matthew 5:13-16, "You are the salt of the earth...You are the light of the world..." Jesus' words are a statement of fact. When we accept the free gift of forgiveness of our sins through Jesus Christ and surrender to Him as the ruler of our lives, then Jesus says we are the light and salt for our dark and decaying world. So, how are you, by God's good grace, bringing flavor and purity to the spaces around you? How is the Holy Spirit working through you to bring His light to the darkness found in your part of the world. **Join us in person this Sunday 9:00am or at 10:45am** in our Sanctuary as we see just how deeply God intends for us to be in relationship with Him and one another. If you are not able to meet with us in person, please check out our online service at **wpcmedford.com** or on our **Facebook** page.
