

Jesus at the Table - The Best Bread

Jesus used "the table" as a tangible and powerful declaration of God's grace and care to the unlikeliest of people. When he sat and broke bread with them, he was also tapping into powerful symbols that had defined God's people. This week, in order to build a foundation for the rest of our sermon series, we're going to do a quick overview of the Old Testament tradition surrounding tables and bread. We'll be looking at Exodus 24:9-11 and Exodus 25:23-30 to give extra significance to Jesus' statement in John 6 that he is "the bread of life," and why that then changes every table that he sits at. Join us this Sunday in our Sanctuary at 9:00 and 10:45AM. If you are not able to meet with us in person, please check out Westminster **online** at wpcmedford.com or on our Facebook page.
