

Helping people find purpose in Jesus through genuine relationships. 2025

### Godspeed: Be Here Now

Jesus' life and ministry seemed to be simply packed with pressure, conflict and, most of all, people. And yet, Jesus himself never seems to be in a hurry, despite the pressure. This week **we're going to look at Mark 5:21-43** as Jesus is interrupted in the midst of a high-pressure, life and death situation, and explore the secret that allowed him (and us) to stay calm and focused, and to be present with people in the midst of the stress and the mess. Join us this Sunday in our Sanctuary at **9:00am and 10:45am**. If you are not able to meet with us in person, please check out Westminster **online** at **wpcmedford.com** or on our Facebook page.

### Celebration of Life for Gretchen Van Ert

A Celebration of the Life of Gretchen Van Ert will be held in the Rogue Room at the Rogue Valley Manor (The Plaza building) on **Saturday, April 5, at 3:00pm**. All who knew Gretchen are warmly invited to attend.

### Science and Faith Presentation for Everyone!

**Dr. Hugh Ross is Coming to Town!** No, it's not Santa. But it's still exciting! Dr. Ross has his PhD from the University of Toronto in Astronomy and Physics. He has completed postdoctoral work on quasars at Cal-Tech, and is a well-recognized speaker. He will be speaking on cosmology - the nature and implications of the cosmos. This is a great talk for anyone who is interested in the question of science and faith, or for people who want to

grow in being able to share "the reason for the hope" of Jesus. This is a great opportunity to take a step of trust and courage to invite a friend. Consider any neighbors, co-workers, family, kids, or friends that you can invite to attend with you. The talk is Saturday, April 5 from 6:00 to 7:30pm at Edgewater Fellowship in Grants Pass. Registration is required here: <https://forms.gle/U4R4ZJ6ioDbTxj9L6>
