

Helping people find purpose in Jesus through genuine relationships. 2025

Disciples Who Make Disciples

"...from now on you will be catching people." (Luke 5:10) From fishermen to men who fished for people, Jesus' calling of his first disciples reminds us of every disciple's calling: to draw others to the One who drew us into His saving embrace. We'll be studying Mark 1:14-20, so you may want to prepare your heart by reading it ahead of time. Join us in our Sanctuary at 9:00am and 10:45am. If you are not able to meet with us in person, please check out Westminster online at wpcmedford.com or on our **Facebook page**.

Shine Your Light

This Sunday, we still need a few more helpers to make our Spring Celebration the best ever.

Share the Table - First Sunday of Each Month

Our "Share the Table" will be next **Sunday, May 4**, in the Gathering Place after each service. Bring plated snacks like fruits, cookies, cheese, or meats to share (homemade or store-bought). Beverages will be provided. For questions, contact Rosa Romano at serve@westminsterpres.com.

Sabbatical

Our Lead Pastor, Chris Ward, will be leaving for a **three-month sabbatical beginning Monday, April 28, and ending July 31**. We trust and pray that his time away will be rest-filled and renewing, a true time of Sabbath rest. Feel free to send him an encouraging email or write him a note and leave it in his mailbox on Sunday.

Become a Covenant Partner

A Covenant Partner of WPC is one who makes a public commitment to God and this church family. If you have not taken this step of faith, please consider attending a short meeting this **Sunday, April 27, from 10:10-10:40am**, in the Resource Room/Library (near the end of the Sunday School hallway). For more information reach out to **Sherry Ettlich** [HERE](#).

Pickleball and Picnic in the Park for Everyone!

Join in the fun on **Sunday, May 4** from 12:30-3pm at Holmes Park. It's just around the corner! Come for a time of soaking up the outdoors in our awesome spring weather. This is an opportunity to get off campus, and connect with our local community. We are intentionally leaving this event open to the public, so that they can join in, and we can share with them. So, think of a friend who would love to picnic... or pickleball... or both! **Please RSVP and sign up to bring a picnic food using the link or scanning the QR code.**
