Godspeed: The Architecture of Time

As we've been trying to slow down this Lenten season, have you felt that conflicting with the pace of the world around you? Do you ever feel the pressure of time on your life? This week we're going to examine a critical biblical rhythm of time, established as a part of Creation, included in the Ten Commandments, and regularly practiced by Jesus- the Sabbath. What does the sabbath mean to us as followers of Jesus today? **Our texts will be Exodus 20:1-11 and Mark 2:23-3:6.** Join us this Sunday in our Sanctuary at 9:00am and 10:45am. If you are not able to meet with us in person, please check out Westminster online at wpcmedford.com or on our **Facebook page**.

Science and Faith Presentation for Everyone!

Dr. Hugh Ross, a renowned astronomer and physicist, is coming to Grants Pass! With a PhD in Astronomy and Physics from the University of Toronto and postdoctoral research at Cal-Tech, Dr. Ross will speak on cosmology and its implications. This event is ideal for those interested in the intersection of science and faith and for anyone looking to deepen their ability to share their beliefs. **The talk takes place on Saturday, April 5, from 6:00 to 7:30 PM at Edgewater Fellowship.** Invite friends, family, or colleagues, and register at the following [registration link](#).

Share the Table - First Sunday of Each Month

Our next "Share the Table" will be this **Sunday, April 6, 2025**, in the Gathering Place after each service. Bring plated snacks like fruits, cookies, cheese, or meats to share (homemade or store-bought). Beverages will be provided. For questions, contact Rosa Romano at serve@westminsterpres.com.

Join Us in Prayer

A small but faithful group of folks meet every **Tuesday from 4:00 - 5:00pm** in The Cottage to pray. If you value time with God in prayer and/or you would like to learn from others how to pray, you are welcome to join us. Please reach out to Pastor Lori (lori@wpcmedford.com) for more information.
