RESILIENCE: GOD IN YOUR STORY

What is your story? That is -- where we come from, why we are here, where we are going, and who is the God in it all? Our story is a hidden lens behind our experiences of each day. The question is: which story are we living in daily? This week, we will see how God's big story in Scripture gladly invites us into a resilient and hopeful story. Each step along the way, we will see how the story God has authored in **Christ gives us wonderful resources for resilience in a wild world.** Come hear the good news of the great story you are invited into, and then live it. If you are not able to meet with us in person at 9:00AM or 10:45 AM in our Sanctuary, please check out Westminster Online at wpcmedford.com or on our Facebook page.

AGGRESSIVE SCAM ATTEMPTS CONTINUE - DO NOT BUY GIFT CARDS!

Once again, a reminder to watch for any suspicious emails and texts from staff or mission partners, **especially if they ask to communicate only by email** or they are requesting gift cards. **DO NOT RESPOND TO THEM!** Usually they will have misspellings, and are not from a westminsterpres.com, wpcmedford.com email address or a phone number you recognize. A common scenario is Pastor Chris or Pastor Lori would like you to purchase a gift card for a family - not true! Your church staff would never request gift cards from you in such a manner. **If you ever have a question about an email, text or phone call you have received from staff or on behalf of staff, please call the church office at (541)773-8274.**
