CHAPTERS: LIVING IN GOD'S STORY—CHAPTER 2, THE FALL

Where does sin come from? And why does it spread like a virus until it touches every part of our lives? This week, we step into a hard but critical aspect of the Bible's story: the Fall. We'll explore not only the story of how humanity first turned from God, but how that same brokenness continues to spread and shape our own world, relationships, and hearts. We'll touch on why we continue to turn from God's will, the impact of the ways we've been wounded by others, and how sin becomes entrenched in societies and structures.

Before we can fully grasp the beauty of redemption, we need to wrestle with the diagnosis. **Join us as we look at Genesis 2:15-17; 3:1-8 and Romans 8:18-23**, and begin to see how even in the midst of brokenness, God is already at work moving our story toward redemption. If you are not able to meet with us in person at 9:00AM or 10:45 AM in our Sanctuary, please check out Westminster Online at wpcmedford.com or on our Facebook page.

SHARE THE TABLE

Our next "Share the Table" will be **this Sunday, May 3**, in the Gathering Place after each service. Bring plated snacks like fruits, vegetables, cheese, pretzels, popcorn and baked goods to share (homemade or store-bought). Beverages will be provided. For questions, contact Rosa Romano at serve@westminsterpres.com.
