Helping people find purpose in Jesus through genuine relationships.

WAITING WITH PURPOSE

Are you good at waiting? What do you do while you wait? As we continue our study of the Story of God, we are now in that waiting period, aka the "now and the not yet." Jesus' life, death, and resurrection inaugurated the Kingdom of God, but God's Kingdom will only be fully realized when Jesus comes again. So, we wait, but we wait with purpose as we live into Christ's purposes for us. To prepare for worship on Sunday, **read and reflect on Acts 1:1-11**. Join us in person at 9:00AM or 10:45 AM in our Sanctuary, or online wpcmedford.com or on our Facebook page.

MISSION FAIR

Join us this Sunday, May 17, for our annual Mission Fair! Visit our Gathering Place between **10:00AM-12:30PM**. Meet the representatives and learn more about the local mission organizations we support. Prayerfully consider how you might serve.

PARENT CO-OP GROUP

Those who have kids 18 and under are invited to the **new Parent Co-Op Group**. Starting this Sunday, May 17th from 12:15PM to 12:45PM in the Barn, we will gather most Sundays for food and hang out. This is a laid back yet intentional opportunity for parents and kids to connect and enjoy unstructured time together. Kids can play on the playground while parents look on while chatting and eating.

This space is designed to provide community support through an intensive phase of life. We will kick off the group with the additional treat of SNOW CONES! **Invite another family friend to pop in. All are welcome!**

10:45AM OUTDOOR WORSHIP BEGINS MAY 24

Our 10:45 Worship Service will move outside for the summer beginning **next Sunday, May 24**. Join us each week in our amphitheater! Bring your own chairs or blankets for seating and dress for the weather. Prayerfully consider inviting a friend who may not feel comfortable worshipping indoors. Would you or your family like to greet people or help hand out the song sheets this summer? If so, please contact **Kristie George at 541-941-9774**.

YOUNG ADULT HIKING - MAY 30

We will go hiking for about two hours from Grouse Gap Sno-Park (just past Mt. Ashland Resort.) There are several nice trails with a wonderful view of the surrounding mountain ranges. We will take a leisurely pace, so this hike is open to all skill levels, as long as you feel healthy hiking at 7,000 feet of elevation. **To RSVP or for more information, scan the QR code.**
