CHAPTERS: LIVING IN GOD'S STORY— CHAPTER 3, REDEMPTION

At the very center of the Christian story is a turning point that changes everything: **God came for us.** In Jesus' life, death, and resurrection, we see God's rescue plan for humanity revealed in full. This week, we'll explore how the theme of redemption runs through the entire Bible, from the earliest pages to their fulfillment in Christ, and why that gives us a foundation we can confidently build our lives upon today. Join us as we **look at Ephesians 1:3-14** alongside key Old Testament passages, and discover the depth of God's purposeful love and faithfulness woven throughout His story and yours. If you are not able to meet with us in person at 9:00AM or 10:45 AM in our Sanctuary, please check out Westminster Online at wpcmedford.com or on our Facebook page

CELEBRATE WITH US!

Calling ALL WOMEN. Please join us in the Gathering place for strawberry shortcake to **celebrate our mothers and all women who've had a positive impact on our lives.**

Join us next Sunday, May 17, for our annual Mission Fair! Visit our Gathering Place between **10:00AM-12:30PM.** Come meet the representatives and learn more about the local mission organizations we support as well as how you can serve.

PARENT CO-OP GROUP

Those who have kids 18 and under are invited to the **new Parent Co-Op Group.** Starting Sunday, May 17th at 12:15-12:45 in the Barn, we will gather most Sundays for food and hang out. This is a laid back yet intentional opportunity for parents and kids to connect and enjoy unstructured time together. Kids can play on the playground while parents look on while chatting and eating. This space is designed to provide community support through an intensive phase of life. We will kick off the group with the additional treat of SNOW CONES! Invite another family friend to pop in. All are welcome!

YOUNG ADULT HIKING - MAY 30

We will go hiking for about two hours from Grouse Gap Sno-Park (just past Mt. Ashland Resort.) There are several nice trails with a wonderful view of the surrounding mountain ranges. We will take a leisurely pace, so this hike is open to all skill levels, as long as you feel healthy hiking at 7,000 feet of elevation. **To RSVP or for more information, scan the QR code.**
