SERVICE FOR CHARLOTTE MCCULLOH

A Service in Witness to the Resurrection and Celebration of the Life of **Charlotte McCulloh** will be held **Saturday, October 10**, at 11:00am in our Sanctuary. A reception will be held in the Gathering Place following the service. All those who knew Charlotte are warmly invited to attend.

WALK WITH ME: CROSSING BOUNDARIES

This Sunday, we're diving into Acts 10 to see how God connects two men of very different backgrounds to further His Kingdom. It is a relationship that crosses social, economic, ethnic, and religious boundaries and it is used by God to change the world forever. Join us on Sunday at 9:00am or 10:45am in our Sanctuary or you can **also find us online** at **wpcmedford.com** or on **Facebook**.

COVENANT PARTNER CLASS

SIGN UP TODAY FOR 10/18 HARVEST PARTY

The cool weather has arrived, and Fall is in the air. **We celebrate the God who created this all through the Harvest Party outreach.** This is one way our whole church comes together of all ages to serve the families and kids of our community. We do this by showing the heart of Jesus' joy and goodness towards each person we interact with face-to-face. The good news is meant to go together with good deeds.

The festival booths are the platforms that we get to do this through. It takes a village to offer a variety of different fun booths, along with other roles. It is such a meaningful and joyful time working together as a church family team. **You're invited to join the crew!** Sign up for a role by this weekend by going to the Gathering Place or at this link:

JOY COMMUNITY SERVICE PROJECT 10/11

Who: **This is open to anyone who would be safe working on a worksite.** If parents think their younger kiddo would need safety supervision, we ask that parents would come to help their kid. For example, teens can come solo as long as they have filled out a safety form this year (click this link to print the safety form). We ask that any elementary age kids have a parent with them to supervise for safety.

What: Joy Community is a transition living community for senior citizens without a home. With the rising cost of living, many seniors and widows have faced financial hardship, and lost their homes. This community aims to protect the vulnerable, and support them to get back onto their own feet independently.

We partner with Joy Community, and they told us they need a dog run. This is because the tiny homes are not great places for dogs, and that residents of course want to keep their pets when they move in. We will put up the shade posts and roof; put up the gate; fence in the final final 10 feet; finish the top rail of the fence; and pray a blessing. **The plan is for this to be the last service project on the Dog Run, but we will look for opportunities to serve at Joy Community in the future. Friends are welcome to join you! So stay tuned, and RSVP here by 10/9:**
